Using the Community Resource Directory

Welcome to the Community Resource Directory! This directory is provided as a courtesy by the Alachua County Coalition for the Homeless & Hungry. The agencies and organizations listed in this guide cover at least one of the following four counties: Alachua, Bradford, Levy, and Putnam counties. In many cases they cover additional counties as well. Each entry in the directory is listed in the following format:

CATEGORY

Name of Service Provider

Service: Information about the services offered by the listed agency/organization

Eligibility: Describes qualifying criteria for persons to receive services

Phone #: Contact information is listed to reach the agency by phone

Address: The physical location or mailing address of the organization is given

Hours: Business hours of operation are listed

Website: Internet address is given to access information online (if available)

Counties served: Describes the counties which the organization serves or counties in which residents are eligible to access services [Alachua (A), Bradford (B), Dixie (D), Gilchrist (G), Levy (L), Putnam (P), and Union (U)]

The How to... Guide

How to Replace a Lost or Stolen Birth Certificate

To obtain a Florida birth certificate, contact your local health department's Vital Statistics office (see listing under "Medical Assistance – County Health Departments"). Typically, certificates cost less if you order them from the county in which you were born, but any Florida health department can order a certificate from any other county or provide you with the necessary contact information. To obtain out-of-state birth certificates, call (800)255-2414. For a list of agencies that might be able to help pay for the cost of the document, please see the "Financial Assistance" heading in this directory.

How to Replace a Lost or Stolen Social Security Card

To obtain a replacement social security card, stop by the local Social Security Administration office and complete an application. The card is free, but you will need to bring either an original or certified copy (no photocopies) of some form of identification, such as a U.S. passport, driver's license, employee I.D. card, school I.D. card, marriage or divorce record, health insurance card (not Medicare), military I.D. card, adoption record, or life insurance policy form. A form of identification with a photograph is preferred, but the office will generally accept a non-photo document if there is enough identifying information (i.e., name, age, date of birth, parents' names). For more information, or to locate your local Social Security Administration office, call (800)772-1213 or look online at <http://www.ssa.gov>.

How to Obtain or Replace a Photo I.D.

You can acquire a State of Florida photo identification card at your local Division of Highway Safety & Motor Vehicles office (see "Photo Identification" for information on the Alachua County office, or check your local government [blue] pages in the phone book for outlying counties). The cost for an original I.D. card is \$3.00, and you will need to bring two forms of identification; a replacement card is \$10.00. A new driver's license is \$20.00; a replacement is \$10.00. If the license was stolen, however, and you file a police report, bring a copy of the report to the office, and the fee will be waived. You will need to bring one primary document, such as an original or certified birth certificate, U.S. passport, or Certificate of Naturalization, and one secondary document, such as a social security card, school record, baptism certificate, life insurance policy document, marriage certificate, or voter registration card. For a list of agencies that might be able to help with costs, please see the "Financial Assistance" heading in this guide.

How to Apply for Public Assistance (Food Stamps, Medicaid, or TCA)

To receive public assistance funds such as food stamps, Temporary Cash Assistance, or Medicaid, you may apply at the Department of Children & Families Economic Self-Sufficiency office at 1000 NE 16th Avenue,

Bldg. J, Gainesville, FL 32601. You can also apply online at www.myflorida.com/accessflorida or by calling the ACCESS (Automated Community Connection to Economic Self-Sufficiency) hotline at (866)762-2237. Please see the “Financial Assistance” section in this guide for contact information for outlying counties.

How to Register to Vote

To register to vote in Florida, you must be at least 18 years old and a state resident. You do *not* need to have a permanent address-- if you are currently without shelter, you will be registered within the “downtown” district, or your county’s equivalent. You *do* need to specify a location where your voter registration card can be mailed to or picked up, and you must be able to provide some form of identification. Your local Supervisor of Elections office can assist you (see “Voter Registration” heading for more information about local office locations). Registration closes on the 29th day prior to an upcoming election and does not re-open until after the election.

How to obtain Police Clearance to Enter a Shelter

Prior to gaining entry into a local emergency or cold-night shelter, you will need to present police clearance to shelter staff. This is not a background check-- rather, it checks to make sure you have no outstanding warrants on your record. To get this clearance, go to the Gainesville Police Department headquarters at 721 NW 6th Street and ask for assistance at the front desk. You *must* have a photo I.D. to get this clearance.

How to Apply for Alachua County Social Services

The Alachua County Department of Community Support Services offers a number of social services to those who earn 150% or less of poverty-level income. These services include health care assistance, medical referrals and prescriptions, and assistance with rent and utilities. To sign up for these services, make an appointment by calling (352)264-6700 between Monday and Friday, 8:30am-5:00pm. The office is located at 218 SE 24th Street in Gainesville. You must present the following documents when applying for services:

- Social Security Cards for household members
- Proof of identity (driver’s license, photo I.D.)
- Proof of residency (rent receipt, utility bills, school/employment records, Food Stamp certification)
- If born outside of the United States, proof of legal residency
- Proof of gross income for all household members for past 60 days
- Proof of current assets (bank/credit union statements, CDs, retirement funds, cash value of life insurance, stocks, bonds, trust funds, non-homestead property, etc.)
- If no income, a support statement from family members or friends who have been providing you with help
- Status of any other assistance you have applied for (WAGES, SSI/SSA, Unemployment, Workers Compensation, Victim Of Crimes)
- Status of any pending legal action
- Shelter statement/Lease
- Utility bill

“Alachua Cares” program for uninsured/unemployed persons requires a physician statement or the applicant must be working 35 hours/week. Certification expires after 90 days and provides access to family practice physicians and generic prescriptions.

For rent & utility assistance, applicants (no students) must have an income 150% below the federal poverty. The program is designed to **prevent** foreclosures, evictions, and utility disconnections. Applicants must prove a recent crisis that has led to loss of income.

The CHOICES program is for persons between 18-64 years old who are U.S. citizens and are 200% below the federal poverty level. Applicants must prove their residency and income and have had to be working at least 25 hours/week for the previous 30 days with no access to health insurance.

Indigent burial services are available, but cannot be prearranged.
